## FROZEN OUT

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. The discovery of a corpse washed up on a beach in an Icelandic backwater sparks a series of events that propels the village of Hvalvik's police sergeant Gunnhildur into deep waters. Although under pressure to deal with the matter quickly, she is suspicious that the man's death was no accident and once she has identified the body, sets about investigating his final hours. The case takes Gunnhildur away from her village and into a cosmopolitan world of shady deals, government corruption and violence. She finds herself alone and less than welcome in this hostile environment as she tries to find out who it was that made sure the young man drowned on a dark night one hundred kilometres from where he should have been - and why. Although born in the UK in 1962, through a series of coincidences Quentin Bates found himself working in Iceland in his gap year. The gap year then became 10 years, during which time he managed to get himself married, produce a family, and generally go native in Iceland. The family then moved back to the UK in 1990 where Quentin became a full-time journalist on a commercial fishing magazine. Frozen Assets was born through the author's own inside knowledge of Iceland and its society, along with exploring the world of crime. He and his (Icelandic) wife frequently return to Iceland, where they have many friends, including several in the Reykjavik police.
