Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Its feathers are used for beds, and its flesh is excellent meat. Is there more than one kind? There is one kind which live in farmers yards, the other kind are wild, and live about the northern lakes. Are they fond of swimming on the water? They are; they swim upon the cold lakes, and when the lakes are frozen, they fly to the south as geese do. LARK. What is the lark? It is a small bird which sings very charmingly. When does the lark sing most? Early in the morning while flying high in the air. NIGHTINGALE. What is the nightingale? It is a bird which sings sweetly in the evening and night, when other birds are silent. Where is it found? In England. PARROT. What can you tell me of the parrot? It is a very beautiful bird which cannot sing, but can be taught to speak words. Where is it found? In warm climates, but is carried into other countries, and is esteemed a great curiosity. CUCKOO. What can you tell me of the cuckoo? It is a curious little bird which sings cuck-oo, cuck-oo. What is there very singular in this bird? It does not make a nest for itself, as other birds, but seeks for another s nest, and when she has found one, she will eat the eggs, and lay her own in it, and leave them for the...
