

Gaining the High Ground Over Evolutionism

By Robert J O Keefe

iUniverse, United States, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The controversy surrounding the origin of the universe, earth, and all living things is an ongoing debate in the public sphere. In Gaining the High Ground over Evolutionism, author Robert J. O Keefe presents analysis leading to the realization that to obtain knowledge of origin is also to discover the origin of knowledge. Gaining the High Ground over Evolutionism recognizes the ideological nature of the topic of origin. It steps out of the realm of science and begins to deal with the question by reviewing the scientific revolution and its implications in Western thought, studying the interpretation of Genesis 1, and describing relevant aspects of the history of geology, biology, and astronomy. O Keefe summarizes science as a means of gaining knowledge and discusses the scientific method as it is applied to natural history. He examines how the court system has dealt with the controversy; draws points from C. S. Lewis s argument against naturalism; and then confronts the ideology behind evolutionary science, the philosophy of naturalism, presenting what he sees are the best arguments against it. Finally,...
