TACTICLES: THE ART OF GERANTO - TOUCH TO BELIEVE!

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. A G Ceglia (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Tactics collects 90 pages of powerful art and sketches from Gerardo Ceglia, a young professional Italian artist from Naples. Gerardo is probably one of the shyest people I have ever met. He is also your friendly neighborhood (pun intended) family man, much in love with his wife and incredibly gentle with his children. Things changes when he takes out his pencil and brush from of his drawer. Those are the artifacts he pours his inner power into. The shy man completely changes as strong lines run around the sheet. Beautiful women with bodies you can almost interact with come out of nothing, only to be perfected by powerful strokes of ink. Muscles are built on men, matching strong facial features and glances that can make you shake. Aliens, pirates, cow-boys, gunslingers and detectives are like real-life people leaving in a world like our own, only black white. Gerardo has never visited New York, the Nevada Desert or Mars, yet when they take their place in panels they are not just done right, they have the right feeling. You don t ready the tale, you touch it, and the story touches you back, like a shadow on your own shadow. Yet power is not the only things there is in Gerardo s art. The feeling of retroism the run through his art is the perfect touch that softens the edges, making things nostalgic, but no less believable. Come and touch it!.
