Brand New Book ***** Print on Demand *****.Excerpt from Taft s: Training for the Presidency Bonaparte s inevitable question, What has he done? which was propounded whenever any man was proposed to him for high military command or responsible civil office, was based upon the soundest of common sense. When a board of directors seeks a general manager of a railroad, or when a housekeeper is looking for a cook, the first thing to be done is to determine what the applicant has done as an indication of what he can do. The most natural thing in the world is to test a man s future career by his past performances. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
