Learn survival tips and tricks while being entertained and thrilled as you follow a host of memorable characters through the grid down apocalypse. A solar storm has just hit the world causing an EMP (Electromagnetic Pulse) event that takes down the Nation s electrical grid A emergency manager visiting Atlanta GA must find his way back home after this electromagnetic pulse has stranded him away from his vehicle and his beloved bug out bag. With 180 miles to go to his destination, David must let his street smarts and survival skills kick in as food and water becomes scarce and societal breakdown proceeds at an unrelenting pace. Eventually David barter for an old crank start vintage tractor and heads for home meeting zany characters along the way. The band of refugees from the suns massive coronal mass ejection eventually move into a several commandeered lake cabins and try to work on their short term as well as long term survival in a starving world. The lake is a beautiful place for a survival retreat, but is it safe with roving groups of lake residents all looking for what meager food resources remain after a EMP event has shut down society as we know it. Can society be recreated and restarted here, or will starvation and anarchy take over? Can a simple light in the lake be the solution to survival and the reconstruction of society, or is it merely a symbol of what has been and might be yet again?.
