A Letter Concerning Toleration and Other Writings brings together the principal writings on religious toleration and freedom of expression by one of the greatest philosophers in the Anglophone tradition: John Locke. The son of Puritans, Locke (1632-1704) became an Oxford academic, a physician, and, through the patronage of the Earl of Shaftesbury, secretary to the Council of Trade and Plantations and to the Lords Proprietors of Carolina. A colleague of Robert Boyle and Isaac Newton and a member of the English Royal Society, Locke lived and wrote at the dawn of the Enlightenment, a period during which traditional mores, values, and customs were being questioned. This volume opens with Locke's Letter Concerning Toleration (1689) and also contains his earlier Essay Concerning Toleration (1667), extracts from the Third Letter for Toleration (1692), and a large body of his briefer essays and memoranda on this theme. Taken together, these works forcefully present Locke's belief in the necessary interrelation between limited government and religious freedom. At a time when the world is again having to come to terms with profound tensions among diverse religions and cultures, they are a canonical statement of the case for religious and intellectual freedom.
