Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Pimples are a common part of everyday life for teenagers and adults, men and women, alike. However, while for many, the occasional pimple is just a small irritation, for some, acne is a real problem. Acne refers to excessive pimples. Though it is often seen as a problem most associated with teenagers, acne effects a variety of different populations for different reasons. Acne can be unsightly and even painful, and a whole host of myths surround this common, but troublesome skin issue. The Smart Easy Guide to Acne Treatments provides a well rounded explanation of what acne is and what causes it. The guide also seeks to dispel many of the common myths surrounding this common skin condition. Finally, it provides a brief overview on the different types of treatment options available to those who suffer from acne. Acne is a skin condition that involves the blocking of pores which leads to the proliferation of bacteria within the pore. It is at this point that the skin begins to swell and a pimple forms. Due to many of...
