Book #1 in Samantha Chase s popular Montgomery series There s no time like the present unless you re still running from your past Executive assistant Emma Taylor is desperate for a little time away; away from her job, her life and from thoughts of her boss s son who doesn t seem to know she even exists. Tired of waiting for the time to be right, she takes advantage of her boss s generous offer for a little weekend getaway to thank her for helping out with a difficult business deal. Former NFL superstar Lucas Montgomery is still suffering from a career-ending injury. His self-imposed exile from life is exactly what he wants; a sanctuary where there s no chance for disappointment or distractions and that s exactly the way he likes it. While his family has been patiently waiting for Lucas to come around and embrace life once again, they don t realize that it wasn t just his career that was lost, but his sense of identity. Lucas thought everything was fine until sweet, sexy and completely off-limits Emma Taylor comes crashing into his carefully constructed world one snowy weekend and turns his entire life upside down.
