Quantum Jump: A Survival Guide for the Next Renaissance

By W. R. Clement

Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Quantum Jump: A Survival Guide for the Next Renaissance, W. R. Clement, This book was written for individuals trying to make sense of the rapid social and political changes overtaking their lives. Clement explains how our civilisation is undergoing a translation similar to the European Renaissance, the development of managed agriculture or the invention of writing. Each of these eras brought about new world-views and broadened the intellectual scope through which we perceive our world. The Renaissance was triggered by the discovery of perspective -- the means to manipulate three dimensions -- and implemented by the bill of exchange and new mathematics. Our newest era began in 1900 with the discovery that the universe exists in many more than three dimensions. Exploration of this realm via mathematics and computers will drive the immediate future. This is a guide to surviving the jump from the industrial age to the onrushing era of hyperspace. The changes wrought by this era transition are already formidable -- the rise of global capitalism and new industries, the collapse of the Soviet Union -- but they are only the beginning. History shows that era transitions are juggernauts, imposing...
