Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)

EVOLUTION, OLD NEW

Book Jungle. Paperback. Book Condition: New. Paperback. 292 pages. Dimensions: 9.2in. x 7.5in. x 0.7in. Evolution is as controversial a topic now as it was in the 19th century when Darwin first proposed his theories. Evolution, Old and New Or, the Theories of Buffon, Dr. Erasmus Darwin and Lamarck, as compared with that of Charles Darwin was written by Samuel Butler (1835 - 1902). From the introduction: Can we or can we not see signs in the structure of animals and plants, of something which carries with it the idea of contrivance so strongly that it is impossible for us to think of the structure, without at the same time thinking of contrivance, or design, in connection with it It is my object in the present work to answer this question in the affirmative, and to lead my reader to agree with me, perhaps mainly, by following the history of that opinion which is now supposed to be fatal to a purposive view of animal and vegetable organs. I refer to the theory of evolution or descent with modification. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
