Do you often wish that you had more time to do the things you really love doing? Are you stressed out because your workload is impossible to handle? Time Management for a Productive Life (Personal Development book 2) is based on tried and tested scientific principles that have helped millions of people make the most of every day. The theory has been condensed and simplified into an easy-to-use series of steps that will show you how to: - Start keeping track of your time right now. - Classify your activities based on what is important to you. - Prevent crisis s that drains you of all energy and leaves room for nothing else. - Plan your day or week by prioritizing the important activities first. - Eliminate procrastination. - Remove all sources of interruption where it is possible to do so. - Communicate and negotiate interruption limits with the people surrounding you. Taking Consistent Action is Key to Personal Development Using your time for maximum results becomes easy once you know how. Actually achieve professional and personal success by following the simple, practical steps outlined. Do you want your own profitable business that will bring fame and success? Do you desire financial independence and personal freedom? Would you love to improve your relationships and make them more fulfilling? All of these are within your reach if you use your time wisely. Take action now and change your life forever!.
