Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.No one truly knows how vital prayers can be to mental, physical, and spiritual health until they find themselves seriously ill. While people will often say that they are praying for those who need healing, what is really needed is for someone to pray with them. But there are many people who simply don't know what to say or feel uncomfortable when lifting up the sick in prayer. Prayers For Healing helps readers tap into this powerful resource by examining why we should pray for healing and how to do it effectively. This brief booklet includes a healing service with prayers and Bible readings that is an excellent template for pastors and laypersons to use in church services, the home, a hospital, or a nursing home. Her approach lends itself equally well to use by a whole congregation or just one or two individuals. In addition to raising six children, Eva Juliuson has worked with hundreds of young people during her twelve years as a licensed home caretaker of children. She has worked in after-school ministry, and as a youth worker, Sunday school teacher, and PTA volunteer. Her greatest thrill is being able to introduce others to a life-changing relationship with the Lord.
