

The Science of Healthy Hair

By Chuck Caple

iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book Chuck reveals the answers to questions many beauty industry professionals have been trying to master for years. He identifies the real true one and only cause for hair breakage. He outlines all the culprits for breakage and damage and he gives the antidote to the many problems that have been plaguing the industry since the beginning of the profession. Chuck has been working along side and consulted with renowned scientists who have been researching the reactions of chemical relaxers on the hair and the damage it can cause. These scientists have invented a profound solution and remedy for the damage and breakage as a result of this service and Chuck has been given authority to enlighten the industry about it. This book is a must for anyone in the beauty industry who wants to have a monopoly over the population where it pertains to maintaining and preserving the integrity of the hair in effort to promote hair growth and longevity of life in the hair.
