Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Army Techniques Publication ATP 3-24.3 Cultural and Situational Understanding establishes the techniques and procedures used by individuals, teams, and units of the United States Army at the strategic, operational, and tactical levels of war. This ATP is applicable to all members of the Army profession and security assistance contractors. The techniques and procedures prescribed in this publication are used when engaging other government agencies, indigenous populations and institutions, intergovernmental organizations, nongovernmental organizations, and other military and nonmilitary entities to support conventional and special operations missions. This publication elaborates on doctrine contained in FM 3-24, Insurgency and Countering Insurgencies. The principal audience for ATP 3-24.3 is all members of the profession of arms. Commanders and staffs of Army headquarters serving as joint task force or multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range of military operations and joint or multinational forces. Trainers and educators throughout the Army will also use this publication. Understanding culture is essential in conducting irregular warfare. Irregular warfare requires a deliberate application of an understanding of culture due to the need to understand a populated operational environment, what specifically is causing instability, the nature of the threat, and the ability to work with host-nation governments and security forces. Often, training and operations rely on cultural training and education to build cultural expertise, but this may not provide the cognitive link to situational understanding. This ATP does not simply focus on culture, which often generalizes aspects of a society, does not account for diversity, and rarely represents a specific working identity (as in useful and relevant identity, which is distilled or created for a purpose) for an entire region, nation,...
