Not illustrated. 1906 Excerpt: . midst of the act of love. But the feeling of community does not disappear. Finally man and wife form an ideal association founded on respect. Out of this comes a stage of real association for protection. With the sex love comes a union for the protection of the child. At first one of the parents protects the egg, --that immature offspring. Then both must help and for this purpose must remain together. The child has created marriage, the permanent marriage. From father, mother and child comes the family. The family forms a new, unspeakably important center of crystalization in the great march towards an associative structure. With it love becomes a purer and an enduring social factor. We have this to thank for the fact of our higher stage of culture, that we have raised and ennobled the word love and made it the watch word of our highest spiritual and social strivings. From the sex-love we have evolved to love of humanity. This is the foundation of our approaching great humanity. The colored coral meadow here nas another fundamental characteristic other than its social unity of life. Again the thought wanders far from these lukewarm waters to yonder distant actual sod on the high mountain. I lie stretched out on the burning blood red carpet of the Alpine rose field, and my hand loosens with its roots one of the bunches of plants. It had bored down quickly through the thin piece of turf....
